Master User Story List - Group 5

Git & GitHub:

1. As AuctionCentral Personnel, I want to see information about all registered Bidders so that I know who is registered to bid.
2. As AuctionCentral Personnel, I want to update Bidders' contact information so that they are up to date.
3. As AuctionCentral Personnel I want to see the inventory list for each auction so that I can estimate auction revenue.
4. As AuctionCentral Personnel I want to see the inventory list for each auction so that I can verify items have not been stolen.
5. As AuctionCentral Personnel, I want to remove an item from the inventory so that it is no longer in the system.
6. As AuctionCentral Personnel, I want to collect the basic information on an Auction Inventory Item sheet so that I can approximate better on how much will be earned earned.
7. As AuctionCentral Personnel, I want to collect the basic information on an Auction Inventory Item sheet so that I can run statistics over time.
8. As AuctionCentral Personnel I want to see how many auctions are happening this week so that I can plan for auctions.
9. As AuctionCentral Personnel I want to see how many auctions are happening today so that I can plan for auctions.
10. As AuctionCentral Personnel I want to see how many auctions are happening this month so that I can plan for auctions.
11. As AuctionCentral Personnel I want to access auction information from the calendar view so that I can plan for auctions.
12. As AuctionCentral Personnel I want to select an auction on a monthly calendar so that I can know the details about the auction.
13. As AuctionCentral Personnel I want to see a list of non-profits we currently have auctions scheduled for so that I can plan for auctions.
14. a.Under every organization, there should be a section for upcoming and past auctions – the Auction Information sheet.
15. As AuctionCentral Personnel I want to know the initial bid price for each item so that I can run statistics over time.

16. As AuctionCentral Personnel I want to know the actual sale price for each item sold so that I can run statistics over time.
17. As AuctionCentral Personnel I want to know the actual sale price for each item sold so that I can calculate the sales tax for each sale.
18. The amount that the highest Bidder pay is the sales price plus the sales tax.
    a. Sales tax must be applied to all sales.
        i. Total price is Selling Price plus sales tax.
        ii. **Total price is not Selling Price plus sales tax.**
19. As AuctionCentral Personnel I want to see the sealed bids placed on an item so that I can estimate total profits for an auction.
    a. Sealed bids can only be unsealed by AuctionCentral Personnel on the date of the auction, after the auction has begun.
        i. Bid is sealed and the auction has started.
        ii. **Bid is sealed and auction has not started.**
20. As AuctionCentral Personnel I want to know the total profit earned for each auction so that I can run statistics over time.
21. As AuctionCentral Personnel I want to know the total profit earned for each auction so that I can do proper accounting.
22. As AuctionCentral Personnel I want to update non-profit information so that it is up to date.
    a. Contacts may only be associated with one non-profit at a time.
        i. Incoming contact information is not already in the system.
        ii. Incoming contact information updates existing contact for this group.
        iii. **Incoming contact information matches existing contact for different group.**
23. As a Non-Profit Employee I want to remove an item from inventory so that I can keep it up to date.
24. As a Non-Profit Employee I want to see items between a range of starting bid prices so that I can see a subset of items.
25. As a Non-Profit Employee I want to see items between a range of selling prices so that I can see a subset of items.
26. As a Non-Profit Employee I want to see items from a specific donor so that I can track their contributions.
27. As a Non-Profit Employee I want to search inventory items by keyword so that I can find what I am looking for.
28. As a Non-Profit Employee I want to sort inventory items by selling price so that I can find what I am looking for.
29. As a Non-Profit Employee I want to sort inventory items by starting bid so that I can find what I am looking for.

30. As a Non-Profit Employee I want to sort inventory items by item number so that the auction can progress in order.
31. As a Non-Profit Employee I want to see a list of inventory items so that I can plan for the auction.
32. As a Non-Profit Employee I want to update inventory information so that I can keep it up to date.
33. As a Non-Profit Employee I want to generate a unique item number for each item to identify all inventory items.
    a. Each item has a item number that is different from every other item number
        i. Every Item has a different item number
        ii. **There exists at least 2 items with the same item number**
34. As a Non-Profit Employee I want to be able to fill out the "Inventory Form" on the computer so that the information is centralized.
35. As a Non-Profit Employee I want to input the item name into the item profile page so that the item can be identified.
36. As a Non-Profit Employee I want to input the quantity of the item into the item profile page so that the item can be sold in the proper lot size.
    a. Small items, ie Golf Balls, will be sold as lots instead as single items.
37. As a Non-Profit Employee I want to input the starting bid price into the item profile page so that the item can be properly labelled.
38. As a Non-Profit Employee I want to input the donor into the item profile page so that the donor can be properly recognized.
39. As a Non-Profit Employee I want to input the selling price into the item profile page so that the profits can be properly documented.
40. As a Non-Profit Employee I want to input the condition into the item profile page so that I can ensure the item is sold in the condition it was donated in.
41. As a Non-Profit Employee I want to input the approximate item size into the item profile page so that the total storage space can be estimated.
42. As a Non-Profit Employee I want to input the storage location into the item profile page so that the item can be found for auction.
43. As a Non-Profit Employee I want to attach a photo to an item profile so that it can be previewed online.
44. As a Non-Profit Employee I want to post an auction to the main site so that it can be seen by the public.
45. As a Non-Profit Employee I want to postpone an auction so that items will be sold most efficiently.
46. As an AuctionCentral Intake person I want to submit an Auction Information form so that I can record basic information for an auction.

a. Auction Information form can only be submitted once per year per non-profit organization.
  i. Date of last submission is more than 365 days ago.
  ii. **Date of last submission is less than 365 days ago.**

47. As an AuctionCentral Intake person, I want to input contact info for a Non-Profit Contact for future identification of an authorized non-profit auction creator.
  a. Non-Profit Contacts can only be associated with one non-profit at a time.
    i. Non-Profit contact person is not associated with another non-profit organization.
    ii. **Non-Profit contact person is associated with another non-profit organization.**

48. As an AuctionCentral Intake person, I want to schedule a new auction so that I can have an auction to run.
  a. The maximum number of on-going and future auctions within four months cannot exceed 25.
    i. Less than 25 auctions within four month period.
    ii. **25 auctions within four month period.**
  b. The maximum number of on-going and future auctions within seven days cannot exceed 5.
    i. Less than 5 auctions within seven days.
    ii. **5 auctions within seven days.**
  c. The maximum number of auctions within one day cannot exceed 2.
    i. No auctions scheduled for day.
    ii. One auction scheduled for day.
    iii. **Two auctions scheduled for day.**
  d. There should be a minimum of 2 hours break between two auctions.
    i. Auction start is more than two hours from next auction start.
    ii. Auction start is two hours from next auction start.
    iii. **Auction start is less than two hours from next auction start.**

49. As a Non-Profit Contact I want to submit an Auction Inventory Item sheet online so that I can record basic information about the items to be sold.
  a. An Auction Inventory Item sheet can only be submitted online after logging into the website with username and password.
    i. Username and password authorized
    ii. **Username and password not authorized**
  b. An Auction Inventory Item sheet can only be filled out and submitted once the non-profit actually receives the item in hand.
    i. Items received
    ii. **Items not yet received**

50. Any items that comes in quantity that should be sell as a single unit should only have one inventory number.
    a. Inventory item numbers must be unique.
        i. Inventory Item number does not already exist.
        ii. **Inventory Item number is already assigned to an item.**
51. As a Non-Profit Contact I want to add, update, or remove and item from the Auction Inventory Item sheet online so that the item inventory is up to date.
52. As a Non-Profit Contact I want to search my inventory using keywords so that I know what items are in the inventory.
53. As a Non-Profit Contact I want to view inventory search results by inventory number, donor, starting bid price, or selling price.
54. As a Non-Profit Contact I want to log in with a username and password so that I can be recognized as an authorized individual and have authority over an auction.
55. As a Non-Profit Contact I want to create a new auction event so that I can raise money for my organization.
56. As a Non-Profit Contact person, I want to submit an Auction Request online so that I can provide auction information without writing an email or making a phone call and that the information is centralized.
    a. Auction Request can only be submitted once per year per non-profit organization.
        i. Date of last submission is more than 365 days ago.
        ii. **Date of last submission is less than 365 days ago.**
57. As a Bidder I want to see a preview of the inventory item so that I know what I am going to bid on.
58. As a Bidder I want to be able to register with the system, so I can start bidding.
59. As a Bidder I want to enter my payment information so I can pay for any item I win from the auction.
    a. A bid is not secured until credit card or other acceptable payment information is provided by the Bidder.
        i. Payment card is verified.
        ii. **Payment card is rejected.**
60. There is no limit as to how many items potential Bidders can bid on, given the credit card is authorized.
61. As a Bidder, I want to see the auctions and bids that I have made for upcoming auctions so that I can keep track of my finances.
62. As a Bidder, I want to be able to cancel my bid, so that I can change my mind.
    a. Cancellation must be up to 24 hours of prior to start of auction.
        i. Cancellation attempted more than 24 hours before auction start time.
        ii. **Cancellation attempted less than 24 hours before auction start time.**

63. As a Bidder, I want to update my information so that I can keep it up to date.
64. As a Bidder, I want to be able to bid on multiple items in an auction so that I can buy all I want.
65. All bids must be secured by credit card holds.
66. As a Bidder, I want to enter my name, address, phone number and email so that I can register to bid.
67. As a Bidder, I want to make a sealed bid so that I can avoid competition.
    a. Sealed bids are only accepted before the auction starts.
        i. Sealed bid was attempted before auction start time.
        ii. **Seal bid was attempted after auction start time.**
    b. Each sealed Bidder can place at most one bid on each item.
        i. The Bidder has not placed a bid.
        ii. **The Bidder has placed a bid.**
    c. The sealed bid is kept confidential.
